Trick or Treat Night in Monroe

Trick-or-Treat will be held in Monroe on Thursday, October 31, 2019, from 6 p.m. to 8 p.m. Remember these tips for a safe and fun-filled evening.

Walk Safely. Cross the street at corners, using traffic signals and crosswalks. Look left, right and left again when crossing and keep looking as you cross. Put electronic devices down and keep heads up and walk, don't run, across the street. Teach children to make eye contact with drivers before crossing in front of them. Always walk on sidewalks or paths. If there are no sidewalks, walk facing traffic as far to the left as possible. Children should walk on direct routes with the fewest street crossings. Watch for cars that are turning or backing up. Teach children never dart out into the street or cross between parked cars.

Trick-or-Treat With an Adult. Children under the age of 12 should not be alone at night without supervision. If kids are mature enough to be out without supervision, they should stick to familiar areas that are well lit and trick-or-treat in groups.

Keep Costumes Both Creative and Safe. Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors. Choose face paint and makeup whenever possible instead of masks, which can obstruct a child's vision. Have kids carry glow sticks or flashlights to help them see and be seen by drivers. When selecting a costume, make sure it is the right size to prevent trips and falls.

Drive Extra Safely on Halloween. Slow down and be especially alert in residential neighborhoods. Children are excited on Halloween and may move in unpredictable ways. Take extra time to look for kids at intersections, on medians, and on curbs. Enter and exit driveways and alleys slowly and carefully. Eliminate any distractions inside your car so you can concentrate on the road and your surroundings. Drive slowly, anticipate heavy pedestrian traffic and turn your headlights on earlier in the day to spot children from great distances.

According to **History.com**, Halloween has always been a holiday filled with mystery, magic and superstition. It began as a Celtic end-of-summer festival during which people felt especially close to deceased relatives and friends. For these friendly spirits, they set places at the dinner table, left treats on doorsteps and along the side of the road and lit candles to help loved ones find their way back to the spirit world.

Today's Halloween ghosts are often depicted as more fearsome and malevolent, and our customs and superstitions are scarier too. We avoid crossing paths with black cats, afraid that they might bring us bad luck. We try not to walk under ladders for the same reason. It may have something to do with the fact that walking under a leaning ladder tends to be fairly unsafe.

If you love the City of Monroe, if you love history, if you love being involved within your community, then we would love to hear from you as a possible volunteer. There are many opportunities available for getting involved, including assisting with special events, decorating the 1910 Building's window, assisting with archiving duties, and even becoming a **Board of Directors member**.

UPCOMING EVENT:

The Monroe Historical Society has a General Membership meeting scheduled for Thursday August 29, 2019. It will start at 7pm and will be held at the Monroe Community Room, located at 6 East Ave.

After a brief business meeting, there will be a program about homes that were purchased from mail order catalogs in the early 1900's. The blueprints and building materials were then shipped to the purchaser to build a home. Cindy Catanzaro is an expert about this subject and she has agreed to share the results of her research about homes in Monroe and the surrounding area. Come and see the original blueprints from 1936 of a home on Lebanon Street. (The cardboard shipping tube used to mail the blueprints has stamps totaling only 8 cents!) You will be amazed by how many homes we have locally and how many companies used to sell homes through a catalog!!

We are sorry to announce that the Cemetery Walk will not occur this year. Any persons interested in volunteering for 2020 should contact the Historical Society.

Monroe Historical Society

The Monroe Historical Society is hosting a Paranormal Investigation on Saturday, September 28th starting at 8 p.m. It will be held at the Monroe Historical Society at 10 East Elm Street.

The Historical Society is proud to partner with ParaVizionz, a professional paranormal investigation and research team. ParaVizionz team members will guide small groups of guests through various locations within the Chickahominy Museum and the 1910 Museum. The guests will spend time in multiple areas of the darkened museums with the possibility of having a paranormal experience. Will you feel the energy of someone from the past? Or, maybe even see something that defies explanation? At the end of the investigation, there will be a brief Q & A session.

This event will require pre-registration and payment of an admission fee, 100% of which will go toward Monroe Historical Society's mission of preserving and sharing our history. Guests must be 18 years or older. To access all the locations, guests must be able to navigate stairs.

The number of participants will be limited in order to enhance the experience. Beginning **September 1st** you can register by visiting EventBrite.com.
