BICYCLE REGISTRATION NUMBER

BICYCLE THEFT IS A REALITY

WHY IS A SERIAL NUMBER IMPORTANT?

Serial numbers are a set of characters that uniquely identify an object and can be used for traceability and warranty purposes. Serial numbers, however, are especially important when reporting stolen items, such as bicycles. A serial number is a method to enter the bicycle in our state and nationwide computerized record system as stolen.

Input of your stolen bicycle into these databases increases your chances of having your bicycle returned, and makes it possible to file charges against the person in possession of the bike.

AN OUNCE OF PREVENTION...HERE'S WHAT YOU CAN DO!

Register your bicycle with the Monroe Police Department. Your registration provides us with the necessary information so that if your bike is ever stolen, we would have a record of the serial number when you called to make your report. It would enable us to then submit the information about your stolen bicycle into the law enforcement databases in a quick easy step.

Simply complete the registration form in this brochure and submit it to the Monroe Police Department Community Resource Office.

Upon receipt of your form:

- You will receive a bicycle registration sticker. Its tracking number is exclusive to you and indicates your bike is registered with the Monroe Police Department.
- Apply the sticker to your bicycle.

IMPORTANT THINGS TO REMEMBER

If your bike is stolen...

Report any stolen property immediately your local law enforcement agency. If your bike was stolen in the city of Monroe, please call the Monroe Police Department non-emergency line at 513-539-9234 to make your report.

Have your bicycle registration number ready and other identification information ready (Refer to reverse side of brochure).

What if I sell my bike?

If you sell your bike after you have enrolled with the Monroe Police Department Bike Registration Program, contact the Community Resource Office at 513-539-9234 to notify us of the transfer.

Lastly, don't forget:

- Always wear a helmet. Ohio law requires anyone under the age of 16 to wear a helmet.
- Always lock up your bike. Whether you use a bike lock or place it in a storage space, keep it under lock and key!
- Ride your bike safely. Always follow the rules of the road and be sure to keep a watchful eye on young riders.
